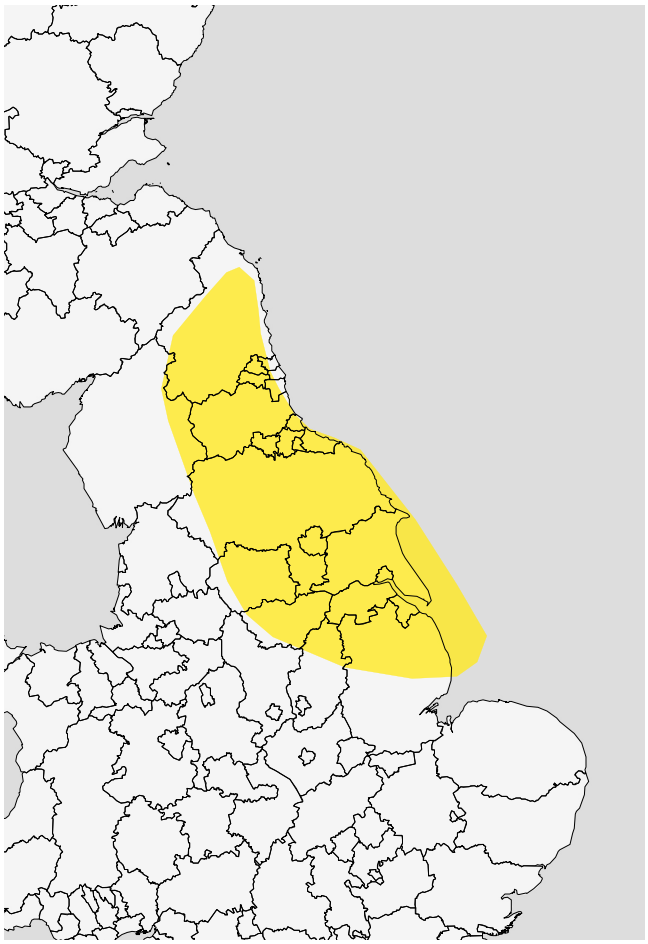
Yellow warning
Thunderstorm

Between
11:00 Sat 26 Aug 2023 and
20:00 Sat 26 Aug 2023



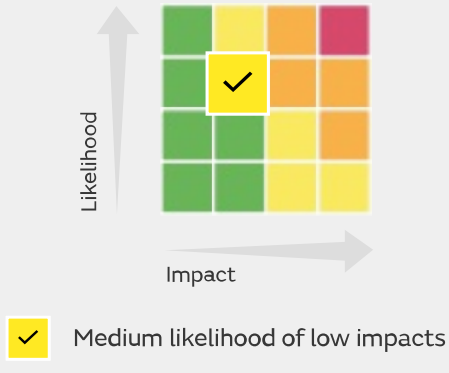
Slow-moving heavy showers and thunderstorms may cause some localised flooding and disruption on Saturday afternoon.

What to expect

- Some flooding of a few homes and businesses possible, leading to some damage to buildings or structures
- There is a good chance driving conditions will be affected by spray and standing water, leading to longer journey times by car and bus
- Delays to train services are possible
- A small chance of some damage to a few buildings and structures from lightning strikes, as well as short term loss of power

Further details

Scattered slow-moving heavy showers and thunderstorms are expected to develop by late morning and continue through the afternoon before fading during Saturday evening. Whilst most places will see fairly small amounts of rain, a few places are likely to see 20 mm in around 1 hour and 30-40 mm in 2-3 hours. Lightning will be an additional hazard.



Medium likelihood of low impacts
